Facilitation and Evidence Notes

- Keep click-by-click software procedures in the Learner Guide and activity packs; use the deck for concepts, controls and debrief.
- Demonstrate current Xero navigation but teach the control intent so learners can adapt to UI changes.
- Use Lumina Homeware Pte Ltd as the connected scenario across all ten activities.
- Confirm the assessment sequence and digital attendance before 5:10 PM.
- Do not expose answer keys to learners or link them from the LMS.
